A screenshot from the game 'The Settlers' showing a medieval village. On the left, there's a church with a tall steeple. Next to it is a blacksmith's forge with a large anvil. In the center, there's a marketplace with several stalls and a small building. To the right, there's a large, open field with a few scattered trees and a small cluster of buildings in the distance. The game's interface is visible at the top, showing various icons and a list of resources.
